

## Letter of consent Private Data Protection (GDPR) 2020/2021

Dear Volunteers/Parents/Students In compliance with the General Data Protection Regulation (GDPR), the school will need your consent for the following purposes until you inform the school otherwise.

I consent to the following:

- MTO Persian School to set up individual email addresses within the “Google G Suite for Education” platform for students/teachers to be used solely for the school’s organisational/educational purposes with individual log-in details.

- Usage of photographs/video footage from the school online teaching platforms, online educational/cultural activities, posters, marketing material (leaflets, videos/CDs), the school website, Facebook, Instagram and other secure social media channels. - Sending educational/promotional notification emails to your school/personal email addresses from the school’s official email address.

- Communication with you regarding school matters via texts to your mobile phones/WhatsApp/Telegram by the school office.
